Questions and Responses

Question: Can you please provide the bid tabulation from the previous financial services staffing RFP?

Response: The total melded rates from the six price offers received were: \$5,396.64; \$5,195.20; \$11,435.20; \$7,720; \$5,304.40, and \$3,120.

Question: How many temps are currently in place for each classification?

Response: We currently have 1 temp accountant, 1 temp underwriter, and 1 temp loan processor. This number always varies, depending upon the need in the department.

Question: Can you provide an estimated contract value or contract value of current contract?

Response: The value of the current contract is \$125,000.

Question: Is this a rebid of an existing contract?

Response: Yes, this is a new solicitation for services in the current contract.

Question: Has a determination been made as to whether this will be a Tier 1 or Tier 2 contract for the purposes of the Living Wage?

Response: Since the services will occur in Anne Arundel County mostly, with a slight chance of a Baltimore City assignment, the resulting contract would be Tier 1. The majority of the assignments will be in our Crownsville office. We have a small satellite office in Baltimore City, so there is a chance an assignment may be made there, but not very likely.
